DAVID PAWSON

BIBLE TEACHER

David Pawson: born in 1930, was the son of a Methodist minister, his grandfather, a Professor of Agriculture. He began his career with a degree in Agriculture at Durham University. After completing an MA in Theology at Cambridge University, David became a chaplain in the Royal Air Force, before pastoring a number of churches in England including the Millmead Centre in Guildford which became a model for many UK church pastors. In 1979 David left Millmead to develop a wider international Bible teaching ministry. Millions of copies of his 'Unlocking the Bible' teachings have been distributed to over 120 countries. He was a writer who speaks with clarity and uncompromising faithfulness to the Scriptures. He was widely considered to be one of the world's finest biblical expositors of his generation.
